

# Important Current Affairs For CAT GD-PI-WAT

This PDF was created by curating the top 50 important topics/events that made it to the news the past year. It is very important to learn about these topics if you are preparing for the WAT-GD-PI process of any B-school.

Important things to remember while reading on a topic:

1. Always cover all the facts before forming an opinion.
2. Know about both sides of an issue before forming your own opinion.
3. It is not a crime to have an opinion.
4. Do not sit on the fence – no neutral opinion
5. The topics here are of varying degrees of relevance for CAT GDPI Prep. There are some topics that you must know about, while other topics are generic. Prepare based on your perception of the importance.
